

AUTO DELIVERY TERMS AND CONDITIONS

Our hope is that we can meet your heating oil needs at the lowest cost to you, our valued customer. In order to do so, we ask that you follow a few guidelines:

1. We do not send invoices or statements. The slip left at your residence upon delivery is your invoice. Keep this for your records.
2. We must receive payment in full within 10 days of delivery.
3. If there is a problem with payment, please contact us as soon as possible.
4. If you fail to make payment in the time stated and no other arrangements have been made, we reserve the right to discontinue automatic service to you and your account will be put back on a "Will Call" basis, with payment expected at the time of delivery.
5. If you move from this location or your heating oil needs change, it is your responsibility to contact us with the changes or to discontinue service. We will not be held responsible for deliveries made in error due to non-notification from you.
6. Please keep a copy of this agreement for your records. Upon receipt of the signed agreement, your account will be placed on automatic delivery.

If you have any questions concerning this agreement, please do not hesitate to call us. We appreciate doing business with you. Thank you.
